WELCOME TO SARACENS

The past season has been a year of transition, and it has been exciting to see a new era of the club emerge. As we reflect on the 2024/25 campaign, both our Men's and Women's squads are in a strong position to grow. From conversations across matchdays and member events, recruitment across the board has been welcomed positively and there is a real sense of momentum building around the club as we head towards the new season.

Saracens has always been more than a club, it's a family, rooted in North London and built on care, passion and hard work. It is no coincidence that so many of our senior players choose to stay involved in the club. Moments like Alex Goode reaching his 400th cap is testament to the loyalty and spirit that makes this place so special.

Saracens is home to some of world's best rugby players and, just this summer alone, we will watch a number of our players proudly represent their countries across the Women's Rugby World Cup, the British and Irish Lions tour of Australia, and several other global fixtures.

Looking ahead, next season brings fresh opportunity, with the introduction of our Next

Generation team, a project that aims to encourage more young fans to begin their journey with the club. We are also preparing to launch a bold rebrand this September, one that celebrates our heritage while looking firmly to the future.

This summer marks a pivotal moment for Saracens, one of growth, transformation and continued commitment to being a people-first organisation. We are focused on delivering the very best experiences to everyone who joins us at StoneX. We have also taken all of your feedback into consideration, and as a result have made some significant changes to your seasonal memberships product for next season. Most notably, we have reduced our pricing, to ensure our valued seasonal members receive the best value product and are rewarded for your loyalty.

Enclosed you will find all the details you need about our seasonal memberships and hospitality packages across both teams, including pricing and FAQs. If you have any questions, our Supporter Services team is always here to help.

We look forward to welcoming you back to NW4 very soon.

TESTIMONIALS

“ In this year of transition, it is exciting to see a new era of the club emerging. Thank you, Saracens, for a season of exhilarating rugby and for all the hard work by staff behind the scenes, who don't often get a mention, but who help shape and lead this successful club. There is a true feeling of community, tradition and friendliness as soon as you arrive and, win or lose, I've enjoyed every minute at StoneX.

Sarah, 2024/25 Seasonal Member

“ Great game and great weather to wrap up the season. Good to see the players engage with the fans at the awards ceremony and leaves me looking forward to next season.

David, 2024/25 match attendee

“ This season has been a season of change for Sarries on the pitch, but off the pitch the match day experience has remained as good as ever.

At Stone X, you are never far away from great food, drinks and entertainment but more importantly a great set of fans who help to create a community feel.

Win or lose, you'll always guaranteed a great experience at StoneX.

James, 2024/25 Seasonal Member

“ It was a superb day, one of the best hospitality I've ever done anywhere. The food was outstanding - the lamb was to die for. Please pass my compliments to the chef, and my son is still going on about the gammon today (said he should have eaten more - haha!)

Table was a nice mix of people and your staff kept our glasses full all day. 10/10. For sure we will return!

Rachel, 2024/25 Hospitality attendee

“ Very impressed! All Saracens personnel, including the waiting staff who are not full time employees, to be congratulated.

William, 2024/25 Hospitality attendee

“ The Tulip Club experience on Saturday was great. My parents and I have been going to Saracens games for many years (mens and women's) but always with standard tickets. The Tulip Club package for last weekend was great value for the delicious food, excellent service, comfortable seats and great company (from other fans, players and coaches). I had my Saracens radio with me optimistically and was delighted to be able to listen to commentary and the referee mic.

Angela, 2024/25 Hospitality attendee

“ We had a wonderful day. Sonic was a wonderful host lots of laughs and a great game of rugby. Lovely to meet the team afterwards.

Jake, 2024/25 Hospitality attendee

“ We really enjoyed our day. The Tulip Club staff made us feel very welcome and our waitress went out of her way to help my gluten free partner. After a difficult first half the match turned our way, even if we were hanging on towards the end. After the match I managed to have a chat with Poppy Cleal and Ellie Kildunne; made my day.

Thomas, 2024/25 Hospitality attendee

“ I just wanted to say that I really enjoyed hospitality in The Tulip Club on Saturday. The welcome and service was excellent, Sonic was a superb host, the staff all friendly and efficient. The talks by McKinley and Alex were both interesting and entertaining, and having the players from both teams, but especially Saracens of course, to chat afterwards was great. I haven't forgotten the food, both the roast and the vegetarian wellington, all of it was top notch!

Sophie, 2024/25 Hospitality attendee
